RE: Mileage Reimbursement Rate Increased for July 1, 2011 through December 31, 2011

The IRS Standard Reimbursement Rate has been increased to 55.5 cents per mile for miles driven from July 1, 2011 through December 31, 2011. This is an increase of 4.5 cents from the 51 cent rate in effect for the first six months of this year. The IRS Standard Reimbursement Rate of 55.5 cents will be the mileage reimbursement rate for all bargaining units effective July 1, 2011 through December 31, 2011.

Please feel free to call the Human Resources Department if you have any questions concerning the above information.

Sincerely,

A handwritten signature in blue ink that reads "Patricia A. Leland".
