

BRIGHT FUTURES

Is my child ready for Kindergarten?

When should I start reading to my baby?

When should my child see a dentist for the first time?

Have you ever wondered about your child's development or had questions about childhood behaviors?

Bright Futures can answer your questions and much more!

Bright Futures screenings are a fun way to check on your child's health and developmental progress.

Bright Futures can help you access local services and resources.

Bright Futures is **FREE**, no income or insurance requirements.

We Can Help!
