

Your child's path to a Smart Start in school!

What is Smart Start?

A **FREE** summer pre-kindergarten program to help children have a successful start in kindergarten

Who may attend?

Sutter County children who have no preschool experience **AND** who are registered to start Kindergarten in August

When does it take place?

Four hours per day for four weeks during the summer

If your child qualifies for Smart Start, complete the form below and return it to your local elementary school office. A parent advocate will contact you in May to enroll your child in Smart Start.
