

# Bicycle Transportation Master Plan Update 2011

## PUBLIC WORKSHOPS

Various Dates (see below), 6:00 PM - 7:30 PM

The County of Sutter has embarked on an update of the County's Bicycle Transportation Master Plan. In order to respond to the community's needs and concerns, the County will be conducting three Public Workshops in various locations around the county aimed at providing information for review, and soliciting input from the community.

*Your input is valuable to the process.*
