

RETAIL FOOD FACILITY INSPECTION REPORT

DBA: Wal Mart
 Address: 1150 Harten City: YC

OBSERVATIONS AND CORRECTIVE ACTIONS

Slivers reportedly washed/rinsed/sanitized every four hours. Violations corrected.

21 - Hot water 110°F at utensil sink faucet. Adjust/repair hot water heater to maintain minimum 120°F.

34 - Sprayer at utensil sink reportedly too weak to properly clean equipment; spray hose for flow in sink basin again. Repair or replace sprayer to provide required pressure to clean utensils.

7 - Potentially hazardous food in display refrigerator 46°F - 53°F. Adjust/repair unit to maintain potentially hazardous cold food at 41°F or below.

* Re-inspection to follow in 14 days; no-inspection fees apply to subsequent inspections.
