

RETAIL FOOD FACILITY INSPECTION REPORT

DBA: Big Johns
 Address: Bridge St City: YC

Re-inspection (2)

OBSERVATIONS AND CORRECTIVE ACTIONS

● Cold plates / beverage tubes still going through beverage ice. As per the California Retail Food Code section 114167, beverage tubing and cold plates may not be installed in contact with beverage ice. This violation was noted on 2.16.17 report, 6.28.18 report, 7.29.19 report and 1.6.20 re-inspection report.

Board approved ice bins with integral cold plates or modify procedure with NSF approved equipment / pan so ice is not in contact with cold plate and still drains into ice bin (needs holes on bottom of pan).

ANSI

● Board approved cave base tile where missing.

* Re-inspection to follow in 30+ days.

Ⓢ Re-inspection fees apply to this and subsequent inspections.
