

About Our Guest Speakers

*Dr. Steven Rosenberg,
MD, MPH, FAAP,
is currently the Public Health Medical
Officer for the California Department of
Health Services, Childhood Lead Poisoning
Prevention Branch.*

*Along with an outstanding career in
Pediatric Medicine, Dr. Rosenberg has been
a leader in Lead Poisoning Prevention. He
diagnosed and treated children with lead
poisoning in South Bronx, NY from 1968 to
1970 and during the same time was
participating in one of the first lead
poisoning prevention programs in the United
States through the New York City Dept. of
Health and Hospitals.*

*Sandra Jo Hammer,
BSN, MSN, MPH,
has been with the Department of Health
Services, Immunization Branch in the
Position of Nurse Consultant 111 since 1994.
She is responsible for evaluating and
assisting Immunization Programs at the
county levels and is considered an expert in
the field of immunizations.*
