Re: Mileage Reimbursement Rate for 2017

The IRS Standard Mileage Rate for 2017 is 53.5¢ per mile, a decrease of .5¢ over the 2016 business rate. The IRS Standard Mileage Rate will be the mileage reimbursement rate for all bargaining units effective January 1, 2017.

Please feel free to contact the Auditor/Controller Department should you have any questions.

Sincerely,

Nathan M. Black, CPA
