Re: Mileage Reimbursement Rate for 2018

The IRS Standard Mileage Rate for 2018 is 54.5¢ per mile, an increase of 1¢ over the 2017 business rate. The IRS Standard Mileage Rate will be the mileage reimbursement rate for all bargaining units effective January 1, 2018.

Please feel free to contact the Auditor/Controller Department should you have any questions.

Sincerely,

Nathan M. Black, CPA
