

AB685 – COVID-19 Workplace Outbreak Reporting Requirements

January 9, 2021

Dear Sutter County and Yuba County Businesses:

Effective January 1, 2021, non-healthcare employers are **required** to report workplace outbreaks to local health departments when there is **an outbreak of 3 or more cases of COVID-19 at a worksite within a 14-day period**. Businesses must report the information **within 48 hours**. The full guidance can be found [here](#). CDPH's [FAQs for employers](#) are also available.

In order to facilitate the ease of reporting, Sutter County and Yuba County businesses can utilize the State's free Shared Portal for Outbreak Tracking (SPOT). If you are interested in enrollment through SPOT, please contact the listed County staff who can assist with the enrollment:

Sutter County : Andrea Vasquez (avasquez@co.sutter.ca.us)

Yuba County: Alexandria Mazerolle (amazerolle@co.yuba.ca.us)

Thank you.
