Dear Ms Solis:

We have completed the courtesy review of the *Sutter County Multi-Jurisdictional Hazard Mitigation Plan*.

Sutter County, California is commended on the quality and scope of this plan. The use of a participatory process shows a commitment to the intent of the planning process under the Disaster Mitigation Act of 2000 (DMA 2000).

Our regional courtesy review has determined that this plan is eligible for final approval pending its adoption by Sutter County and all the participating jurisdictions; Sutter County, City of Yuba City and City of Live Oak. We will approve the plan upon receipt of the documentation of the formal adoption.

If you have any questions regarding the planning process or DMA 2000 requirements, please contact Robert McCord, Mitigation Planning Coordinator, (510) 627-7059, or by email at robert.mccord@dhs.gov.

Sincerely,

A handwritten signature in cursive script that reads "Sally Ziolkowski".
