Ettl Hall at the Museum

A gift to the community.
A new choice for special events.

Dorothy Ettl, a Meridian native and longtime volunteer with the Community Memorial Museum of Sutter County, made a generous bequest to help provide meeting space for museum activities. Sutter County dedicated state park grant funds to help construct the meeting and event hall and now rents the new space, along with the lovely William Conkey Memorial Rose Garden that is cared for by the Sutter Buttes Garden Club.

Courtesy Bill Payne Photography

The Rose Garden can be rented in conjunction with Ettl Hall.

In the Spring of 2013, the Sutter Buttes Garden Club dedicated a new patio area at Ettl Hall, for which they donated and installed the attractive landscaping. The patio and fence was a gift from the Schnabel and Dean families, longtime supporters of the museum. The large patio provides an attractive entrance and additional space for conducting events.
