He is author of Transforming the Difficult Child, currently the top-selling book on the topic of ADHD; The Inner Wealth Initiative, one of the leading books on school interventions and his most recent book, YOU Are Oprah - Igniting the Fires of Greatness.

Four of his seven books are in the top 1% of all books on Amazon.com.

His work is being successfully applied to programs with Meth addicts to the Military - from Marital Counseling to Mentoring programs - from Headstarts to High schools, from Treatment programs to Eldercare and from Fostercare programs to programs fostering inner wealth in infants and toddlers.

He is proudest of the fact that he is responsible for keeping more children off of psychiatric medications than perhaps any other living person. He and his wonderful daughter Alice live in Tucson, Arizona.

Howard’s top selling books will be available for purchase on site! The book sale will be conducted by the Cooley Middle School and all proceeds will benefit the Cooley Middle School Nurtured Heart Fund. Books may be purchased with credit cards.
