

*Would you like to do something this
Christmas to help a family in our community?*

*The Adopt a Family Christmas List is a great
opportunity to do something that will really give
you the Christmas spirit. Your involvement in this
program will make sure that a family in need from our community
will have Christmas.*

The Adopt a Family Christmas list accepts only screened referrals from county agencies, local schools and other community organizations. The referrals are matched with donors that provide Christmas gifts and other needs at Christmas. Donors are given information on age, needs and wishes of the children and family. After the gifts are received by Adopt a Family the individual that referred the family delivers the gifts.

The amount or what the donors provide is very flexible some donors choose to purchase gifts, toy, clothes etc and provide non perishable food items or gift certificates for Christmas dinner. Some wish to give cash or gift certificate donations. However you choose to participate when you see the generosity of our local community you will be overwhelmed. The Yuba City Police Dept serves as a drop off and storage location for gifts and donations and they fill the whole atrium and spill into the halls every year.

Each year donors from our community have provided toys, gifts, gift certificates and food baskets for Christmas dinners, boxes of non perishable food items and even Christmas trees. These donations make Christmas possible for over 100 families in our community every year.

*To help with this years Christmas list
