FOR IMMEDIATE RELEASE

Sutter County Drive-Through Flu Clinic

Sutter County – Sutter County Public Health is holding a drive-through flu clinic for Sutter County residents.

Saturday, October 8, 2011
10:00 a.m. to 12:00 p.m.
Riverbend Elementary School
301 Stewart Road, Yuba City

The community drive-through vaccination clinic is for ALL Sutter County residents 2 years of age and up. No appointments necessary. No crowded waiting rooms. Protect yourself from influenza without leaving your car!

Sutter County Public Health asks the community to be prepared for the drive-through flu clinic by understanding the following information about the clinic:

- Injectable flu vaccine is available for adults 18 years and older;
- Intranasal Flumist spray is available for all healthy 2-49 years of age;
- Children and teens under 18 years of age **MUST** be accompanied by parent or legal guardian;
- Wear clothing that quickly bares the upper arm near the shoulder in case an injection is needed;
- $5.00 donation will be accepted.
- Please note: No pediatric injectable flu vaccine will be offered at this event.

*Due to a reduced quantity of state-supplied vaccine, this may be our only community flu clinic. Please check the Sutter County Public Health homepage for updates at [www.suttercounty.org/publichealth](http://www.suttercounty.org/publichealth) or call: 530-822-7215.*

Expedite the process by printing out your consent forms ahead of time, available on our homepage [www.suttercounty.org/publichealth](http://www.suttercounty.org/publichealth)
