Sutter County, Red Cross Team up to Produce Video on Emergency ‘Go Kit’

During an emergency, you may not have time to gather food, water and other items you will need to keep your family safe and comfortable. When disaster strikes, you may not have time to gather up important documents that you will not want to leave behind.

The Sutter County Office of Emergency Management and the American Red Cross have teamed up to produce a video describing the very simple process of preparing an emergency ‘Go Kit’. The video is available online.
