The state would like your input on how to better reach our Sutter-Yuba County children/youth by increasing Therapeutic Behavioral Services (TBS), improving how Sutter-Yuba Mental Health Services (SYMHS) provides services, and how SYMHS works with providers to deliver services.

Please join us for a discussion about the topic areas below:

- Are the children and youth in Sutter-Yuba (S-Y) Counties who are Emily Q class members and who would benefit from TBS, getting TBS?
- Are the children and youth who get TBS experiencing the intended benefits?
- What alternatives to TBS are being provided in the S-Y Counties?
- What can be done to improve the use of TBS and/or alternative behavioral support services in the S-Y Counties?

Requests for assistive listening devices or other accommodations, such as interpretive services should be made prior to the event. Please contact Jean Sump or Beverly Griffith at (530) 822-7200. Para asistencia en Español llame a Emerita Bahuelos, LCSW al (530) 822-7200.
